XD

## Private Boutique (Mobile)

the User section on the right is not shown on the right side as per the design. please amend.

## Private Boutique (Menu)

Printemps Doha, is a link to go back to main website.

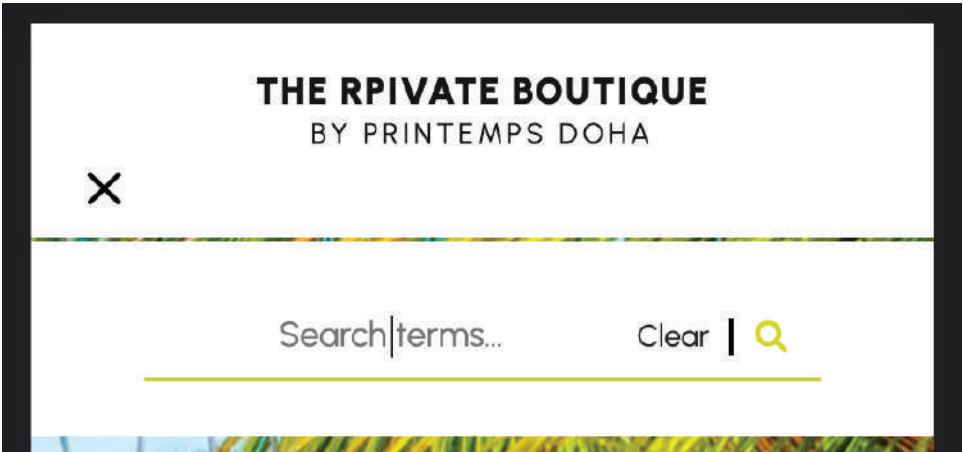

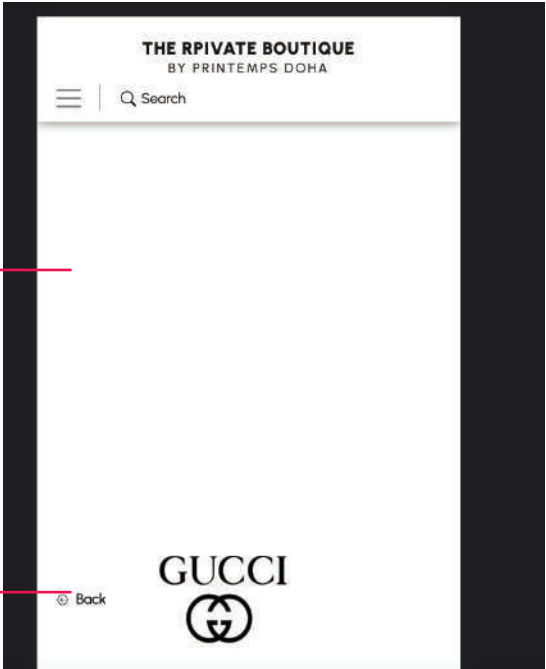

Designer's Details Page:

Banner is not being loaded on mobile.

Logo of designer has to be centered.

Search Bar :

When the search box is activated, there should be a dark overlay on the page.

Border and search icon are in the wrong color code. use the same as per design

Private Boutique Home:

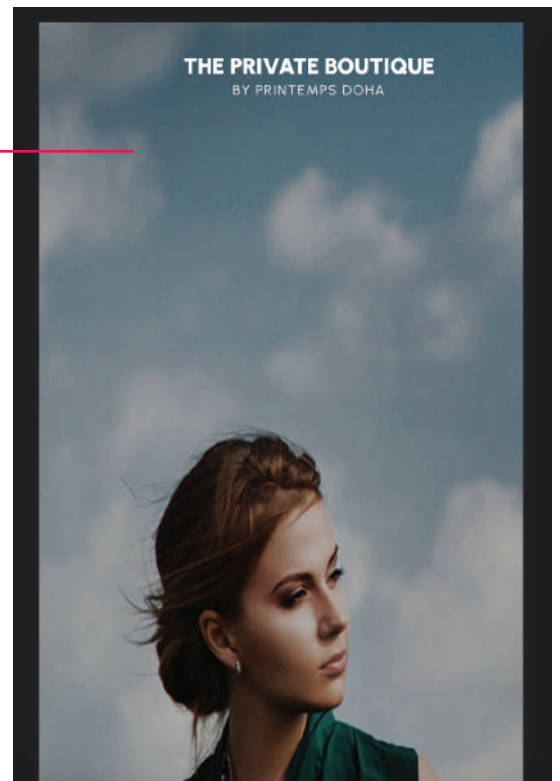

Should say **Featured** Products not feature  
Products should be listed from Admin Panel (Checkbox)

## Private Boutique Login/Register:

Header text/Logo is not centered

---

Our jewellery draws inspiration from brutalist architecture, this movement found visual poetry in the grey coldness of concrete. Striking and imposing, symmetrical and impersonal, this architecture offers a moment of eternity, a form of stripped down integrity. At times, some "accident" occurs in the concrete, scarring the matter and rekindling the humaneness of the building.

## Designer Details:

This is supposed to be two columns not one

---

## Who we are Page:

When Clicking on the year,  
it should slide the timeline to that year.

and the years should be a slider to select  
the year, and add more years from backend.

### OUR HISTORY Printemps Story

1865 1866 1868 1870 1874 1878 1881 1882 1883 1907

1865

Founded by the  
visionary Jules Jaluzot,  
Printemps  
immediately stands  
out for its size and  
location.
